> COMPANY PROFILE

Welcome to Green Wavs Landscaping Company At Green Wavs,

we are passionate about transforming outdoor spaces into stunning, functional, and sustainable environments. Based in Riyadh, Saudi Arabia, we bring over 15+ years of experience in creating breathtaking landscapes that reflect our clients' visions and enhance the beauty of their homes and businesses.

Green Wavs Landscaping Company was founded with a mission to offer innovative and sustainable landscaping solutions to both residential and commercial clients. We believe that a well-designed landscape is a blend of nature and artistry, which is why we approach each project with creativity, precision, and a focus on environmental responsibility. With a skilled team of landscape architects, engineers, and horticulturists, we are committed to delivering high-quality, ecofriendly landscaping solutions that exceed expectations.

Our projects span across Saudi Arabia, ranging from villa gardens and waterscapes to custom carpentry and large-scale landscape designs. We take pride in offering tailored solutions that suit the unique needs and preferences of our clients, ensuring their investment in their property is well-protected and enhanced.

Our Vision

To become the leading landscaping company in Saudi Arabia, recognized for our creativity, quality, and dedication to sustainable practices. We aim to transform outdoor spaces into havens of beauty and tranquility, while fostering a positive environmental impact.

Our Mission

Our mission is to deliver innovative and sustainable landscaping solutions that not only beautify but also improve the value of our clients' properties.

▶ Creation and Maintenance of Nursery :

We maintain a nursery with a wide variety of plants, trees, and shrubs, ensuring that our clients have access to the highest quality flora for their landscapes.

> Softscapes :

Our softscaping services include planting, garden design, lawn installation, and maintenance, helping to create lush, vibrant environments.

Hardscapes:

From walkways and patios to retaining walls and custom stonework, our hardscaping services enhance the structural beauty of your landscape.

> Irrigation:

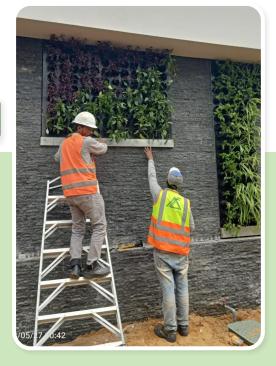

We design and install efficient irrigation systems to ensure that your plants and lawns receive the optimal amount of water without waste.

▶ Green Wall:

Transform your outdoor or indoor space with our vertical garden designs, which add a touch of greenery and freshness to any environment.

Fountains and Waterfalls:

Add elegance and tranquility to your landscape with our custom water features, including fountains and cascading waterfalls.

▶ Landscape Design & Architecture :

Our experienced designers create stunning landscape plans that reflect your vision, incorporating both natural beauty and functionality.

▶ Landscape and Agriculture Services :

We offer a full range of landscape and agricultural services, including soil preparation, planting, and ongoing maintenance to keep your outdoor space thriving.

▶ Washingtonia Trees Supplier & Installation :

We supply and install Washingtonia palm trees, known for their towering height and majestic appearance, perfect for enhancing large outdoor spaces.

Palm Trees Supplier & Installation :

In addition to Washingtonia, we provide a variety of palm trees, offering installation and care services to ensure they thrive in your environment.

▶ Tree Transplanting :

Our tree transplanting services help relocate mature trees safely and efficiently, preserving their health and beauty.

NEOM

Registration with NEOM.

Congratulations! We are pleased to inform you that **NEOM** has approved your supplier registration. **Al-Amwaj Al-Khadra co** has now been included in the supplier database of NEOM.

Please user your vendor ID: S11243765 for all future communications with NEOM.

From now onwards, your company may receive request(s) to participate in tenders (RFP/RFQ) for Goods and/or Services and/or Projects in line with your competencies. However, please do not read into this email that it constitutes a guarantee that you will receive any such requests, as those are dependent on many factors evaluated according to our discretion as needs arise.

You will be notified when next steps of the supplier onboarding process require your attention.

We appreciate your interest in becoming A NEOM supplier and look forward to the opportunity to work with you.

You are receiving this email because your customer, NEOM, has identified you as the appropriate contact for this correspondence. If you are not the correct contact, please contact NEOM.

Description

Please find the attached Material Submittal for LANDSCAPE (Jasim AL-Alawi) for you review and approval

Tamasuk Holding Company Page 1 of 2 Printed On: 1 May, 2023 09:23 AM +03

Submittal No.: 11-620000-4800000602-ODC-LAN-MAT-000001

Material submittal for Landscape

Status B

26-April-2023

1. For planting, kindly note the following:

a. Acacia raddiana size 300-350cm instead of 500-600cm: Submitted plant is accepted. The size of the submitted tree can reach the requested dimensions in 2 years. Accordingly, trees with 300-350 cm tall can be accepted.

b. Acacia gerrardii size 300-350cm instead of 500-600cm: the size of the following trees should be as requested for design purposes. The tree will need around 7 years to grow to the requested size, which is unsuitable for the project timeframe. Please propose fast-growing alternatives or find another source with the adequate size of this specie. Submitted Tree is rejected.

c. Carissa grandiflora size 20-30cm instead of Capparis spinosa size 40-70cm: Proposed plant is acceptable, but the plant should be 2 per m2 instead of 1 per m2.

d. Atriplex halimus size 20-30cm instead of 70-100cm: Proposed plant is acceptable, but the plant should be 3 per m2 instead of 1 per m2

e. Lavandula officinalis size 20-30cm instead of 40-70cm: Proposed plant is acceptable, but the plant should be 2 per m2 instead of 1 per m2.

Salvia divinorum size 20-30cm instead of Moricanda arvensis size 30-50cm: Proposed plant is acceptable

2. The Contractor is to keep the plants at a nursery located in proximity to the project in order to acclimatize them to the weather conditions of the area before the plantation.

For comments on provided softscape drawings, the Contractor is to refer to our comments issued on the said drawings separately as design drawings submittals

4. For Irrigation system materials:

a. The manufacturer is approved.

The contractor should specify before the installation the series and models of all the irrigation devices (spray heads, bubblers, quick coupling valves, electric control valves, etc..)

The method of installation to follows the manufacturer's recommendations.

d. The submitted warranty of 10 years is approved
